## CANDIDATES ALL CLAIM VICTORY

Much Confusion Marks the  
Election in the City of Los  
Angeles

TAFT SUPPORTERS  
HERE DOING LITTLE

Women Coming in Stronger  
Since Noon--Election  
Here is Quiet

### CONFUSION MARKS BALLOTING TODAY

LOS ANGELES, May 14.—The worst confusion in the history of recent elections here marked this morning's voting. A recent shortage in funds in the county clerk's office resulted in hundreds of voters not knowing where to vote. Many precinct tents for the polls have not arrived and the working men are unable to vote early. A re-division of precincts also caused confusion. The vote is therefore comparatively light. A greater proportion of women is voting than the men.

### IDEAL WEATHER BROUGHT OUT A HEAVY EARLY VOTE IN LOS ANGELES

LOS ANGELES, May 14.—Ideal weather resulted in a heavy early vote here. The women's vote during the morning was light. The various managers are making sweeping claims of victory.

### STATE HAS NEVER KNOWN SO QUIET AN ELECTION AS HAS BEEN HELD TODAY

SAN FRANCISCO, May 14.—The supporters of five different presidential candidates are voting today in one of the quietest elections the state has ever known. Fine weather has prevailed, but this, coupled with the intense interest exhibited in the campaign, has failed to produce the heavy vote expected. A surprisingly small number of women have availed themselves of their first opportunity to vote, although a greater proportion of registered women voted than men.

Governor Johnson voted at ten o'clock this morning, and remarked on the lightness of the vote, then returned home to await returns. The usual late minute predictions are being made. Roosevelt and Taft leaders are each vociferously claiming success. Clark and Wilsonites are equally certain. La Follette men have contented themselves with the prediction that the Wisconsin man will poll a heavy vote.

SAN FRANCISCO, May 14.—Voting has been heavy since the polls opened this morning for the preference primary. The women's vote ran even with the male vote during the morning. It is estimated that 106,000 votes will be cast. All candidates' managers claim a victory.

### CONFUSION AT SAN DIEGO CAUSED BY RE-DISTRICTING

SAN DIEGO, May 14.—The re-districting of the city has caused confusion. Many polls were not opened until noon. The voting is light. Fairly heavy vote in Oakland, Berkeley and Alameda. The Oakland vote probably will total 45,000. Many women voted. Roosevelt claim a majority of all votes cast in the county.

### ONLY FOURTH OF REGISTERED VOTE CAST AT PASADENA PASADENA, May 14.—Less than 25 per cent of the registered vote had been cast at noon. Failure to state party affiliations cost many ballots.

Normal Vote at Riverside  
RIVERSIDE, May 14.—A normal vote was cast before noon. The women cast one-third of the total. The Roosevelt forces and Wilsonites are claiming victory. The Taftites say the country vote favors Taft.

Today at Bakersfield  
BAKERSFIELD, May 14.—Ideal weather has aided in getting out an early record vote. The women had cast practically half of the ballots up to noon.

### PANAMA FAIR OFFICIALS ADMIT ALLOWANCE FOR EXPENSES OF SEC. KNOX

SAN FRANCISCO, May 14.—With the exception of President Moore and several directors who refused to either affirm or deny Governor Johnson's thousand public statement that the San Francisco exposition committee

## Olsson Ruling Halts Reforms Says Erickson

SEATTLE, Wash., May 14.—"Judge Hanford's decision in the case wherein Leonard Olsson was deprived of citizenship is the effort of the privileged classes to stop the tide of reform," is the statement of Councilman Oliver T. Erickson, the municipal ownership leader in the city council. "Judge Hanford refuses to recognize the constitutional right to change the constitution by the ballot. Not only are foreign born Socialists deprived of citizenship under this ruling, but any man advocating reforms in existing governmental conditions, such as the initiative, referendum or recall. It is outrageous that an American court should attempt to lay down the ruling that the American constitution should never be changed, no matter how great a majority of the people desire it."

Erickson was elected to the city council a year ago by the biggest majority ever given a man in Seattle.

### Bulletins of News

Hot from the wire up to 3:30 p. m.

### THE WEATHER

Fair tonight and Wednesday; cooler; light west wind.

Archibald Coats, Head of Great Thread Company, is Dead  
LONDON, May 14.—Archibald Coats, for the last twenty years head of the great thread company, died Sunday night at Paisley at the age of 76.

Tacoma Heat Records  
For May Broken on Monday  
TACOMA, May 14.—All May heat records were broken here Monday when the thermometer registered 87 at 2 o'clock, the highest May temperature since the establishment of the Tacoma weather bureau.

Sons of Hermann  
In 33rd Annual Meeting  
NINETEEN delegates in addition to the grand officers present, the Order of the Sons of Hermann are convened today in their 33rd annual meeting. The session was scheduled to last three days. Reports of the officers show 30 lodges and 11 lodges of sister bodies, a substantial increase over last year.

"Australian Mack's"  
Return to Westminster, B. C., Put Off  
NEW YORK, May 14.—John McNamara of San Francisco (Australia Mack) will not be returned to New Westminster, B. C., to face trial for alleged complicity in the robbery of the Bank of Montreal until fall, if then. Attorney Battle, McNamara's counsel, today was granted his appeal from a decree denying a writ of habeas corpus to McNamara. In the meantime an effort will be made to have the prisoner admitted to bail.

Barge Haydn Brown  
Believed to Have Sunk  
CORDOVA, May 14.—No word has been received today from the eight men aboard the barge Haydn Brown, which was out adrift from the tug Pioneer, while enroute here from Seattle. A heavy gale necessitated the barge being out adrift. It is believed she sank. Vessels answering wireless inquiries as to the search, report no success. The Haydn Brown was last seen off Cape Stellas.

Opium Cans Found on  
R. SAN FRANCISCO, May 14.—Apprehended with four tins of opium in his possession, Raymond C. Mayer, former quartermaster of the steamer Siberia of the Pacific Mail Line, is under arrest today awaiting arraignment in the United States district court on a charge of smuggling contraband. Mayer had been under close surveillance by customs officers for several days.

Emma Goldman  
Joins "Free Speech" Fight  
LOS ANGELES, May 14.—Emma Goldman, the anarchist, started to San Diego this morning ostensibly to participate in the Industrial Workers of the World's "free speech" fight. She refused to state definite plans.

Brig-Gen. Duncan  
Dies of Heart Disease  
SAN ANTONIO, May 14.—Brigadier-General Joseph W. Duncan, commander of the Department of Texas, died suddenly today of heart disease. Interment will be in Arlington cemetery at Washington.

Defender of Cameron  
Dam is Denied New Trial  
MADISON, Wis., May 14.—The State Supreme Court today denied a new trial to John Dietz, the defender of Cameron Dam. Dietz was convicted of killing two deputies and sentenced to life imprisonment.

Von Bieberstein Goes to  
London as Germany's Minister  
BERLIN, May 14.—It has been of socially announced that Baron Marshal von Bieberstein has been appointed Ambassador to London.

## FEDERALS ROUT ZAPATISTAS IN SOUTH

2000 Put to Flight With Loss  
of 81—General Huerta  
Orders an Advance

### EARLY BATTLE EXPECTED; OROZCO RECRUITS MEN

Missing Rebel Generals Turn  
Up at Mapami Much to Gen-  
eral Orozco's Relief

MEXICO CITY, May 14.—Federal troops report that they have routed two thousand Zapatistas near Huamantla. Eighty-one rebels are reported as slain.

### GEN. HUERTA ORDERS ADVANCE ON OROZCO'S TROOPS AT RELLANO

EL PASO, May 14.—Federal General Huerta has ordered an advance on the main body of General Orozco's army at Escalon and Relano. These points are four hundred miles south of the border on the Mexican Central railway. Advice from General Huerta's camp indicated that his command was already advancing and that a battle might be expected to begin soon. General Orozco has recruited all his reserves, and is apparently in a position to render desperate resistance.

EL PASO, May 14.—The rebel Generals Campa and Arguendo, reported missing after the battle of Conejos, have been located at Mapami by a United Press correspondent. On Sunday the generals became separated from General Orozco's forces. Seeing the impossibility of rejoining Orozco, they marched against Mapami, where they engaged 1500 federals, routing them after an hour's battle. They occupied Mapami on Sunday afternoon. The United Press correspondent, who is now with Campa, was not permitted to send any further details. General Orozco was jubilant when he learned that his generals were alive and had captured Mapami.

### SALAZAR HAD BUT 500 MEN LEFT OUT OF 2000

EL PASO, May 14.—It is now believed that General Salazar, who was caught in a trap in a canyon at Cuatro Ciénegas by the federals and his force of 2000 men almost annihilated, rejoined Orozco on Sunday at Conejos, with only 500 men surviving the canyon trap.

## TWO AVIATORS IN FATAL PLUNGE AT BROOKLANDS

LONDON, May 14.—The English aviator, E. V. B. Fisher with a passenger, who has as yet not been fully identified, but is supposed to be Victor Louis Mason, the American mining promoter, were killed at the Brooklands aviation grounds last night.

The two had circled the track half a dozen times in a Howard-Flanders monoplane when the machine suddenly dived downward 150 feet, wrecking the machine and killing both men instantly. Mason's clothes were on fire from the burning petrol tank, but the flames were put out in time to keep the men's bodies from burning up. Mason was private secretary to both Secretary of War Asquith and Elihu Root in the same office.

### ARCHBOLD INQUIRY WAS GIVEN RECESS TODAY

WASHINGTON, May 14.—Recess was taken today in the inquiry into the charges against Commerce Court Judge Archbold before the House Judiciary committee.

## DIRECT VOTE FOR U.S. SENATORS TO BE SUBMITTED TO STATES

WASHINGTON, May 14.—As a result of action taken yesterday by the Senate, an amendment proposing a modification of the federal constitution, whereby United States senators shall be elected by direct vote of the people, soon will be submitted to forty-eight states of the union.

After a protracted controversy in conference, the house yesterday re-adopted its former proposition on the direct election resolution and accepted the Bristow amendment by a vote of 285 to 45. The Bristow amendment, which was adopted by the senate, reserves in congress the power to "prescribe the time, manner and place of holding senatorial elections."

## DEATH WAITS ON RICHESON

Two Men Must Declare Him  
Insane to Save Him—Now  
in Death Chamber

BOSTON, May 14.—Rev. Richeson, the murderer of Avis Linnell, arrived at the Charleston prison at 3 o'clock this afternoon. He was taken immediately to the death chamber where he will remain until his execution. "Richeson must hang for the murder of Avis Linnell unless both of the two remaining alienists who will examine him report that he is insane. This statement was made today by Governor Foss following the report made by the last alienist to the examining board, that there was no reason to believe Richeson was not accountable for his crime."

### AVIS LINNELL'S MOTHER CALLS FOR VENGEANCE

HYANNIS, Mass., May 14.—"Let him escape electrocution and the world would not seem right. I have prayed; I know I am right when I say he should pay the penalty." These were the words of the mother of Avis Linnell. She demanded the execution of Rev. Richeson, who murdered her daughter after becoming engaged to a wealthy parishioner.

## THIRTEEN IN MINE PERISH

Fifteen Entombed in Michigan  
Mine—2 Escape—Works  
Are on Fire

IRONWOOD, Mich., May 14.—Thirteen miners are known to be dead as the result of a cave-in in the Norris iron mine near here today. Fifteen were entombed, but two were rescued, the others perishing from poisonous gases. The dead were members of the night shift. According to two of the survivors a small cave in where they were working caused the others to rush to the smaller room where a second cave in engulfed them. Two miners who refused to flee escaped.

### FAMOUS CARTOON ARTIST BURIED IN BIRTHPLACE

SILVERTON, Ore., May 14.—Funeral services for Homer Davenport, famous cartoonist who died in New York a few days ago, were held here Monday afternoon. The services, which were held in the town's opera house, were very simple. They were attended by practically everyone in Silverton, Davenport's birthplace. Those present included relatives of the dead artist and several members of the old Silverton cornet band in which Davenport beat a bass drum when a boy. The body was buried in the little cemetery here, where rests the body of his father, T. W. Davenport.

### RECENT RAINS ARE FAVORABLE TO BIG SUGAR BEET CROP

POMONA, May 14.—That the recent rains have been favorable to an excellent beet production is shown in a report issued by K. Rudorf, chief agriculturist of the American Beet Sugar Company of Chino and Oxnard. With a total of 17,000 acres in this section contracted for, the company finds many thousands of tons will have to be shipped to Oxnard, the local factory not being able to handle the entire crop. The crop is in the best of condition. That sufficient hay be on hand for the teams used during the campaign, the company is raising 1000 tons on its large tract. Quarters to accommodate 300 additional men are being completed.

## CITY TRUSTEES READY TO WORK OUT DEFINITE PLANS FOR A NEW OUTFALL SEWER

Election for Board of Freeholders to  
Frame Charter for Santa Ana Has  
Been Set for July 2

The city trustees are ready to keep actively on the job until bonds are submitted to the people for an outfall sewer. Last night Trustees McPhee and City Engineer Finley were named as a committee to take up plans looking to securing outfall sewer accommodations for the city. City Engineer Finley and Sewer Superintendent Reid were named as a committee to prepare plans and specifications and estimates to be submitted some time before the submission of bonds to the people. Right of way matters are to be taken up a little later.

The board wrestled with the ordinance calling an election for a board of freeholders to frame a charter for Santa Ana. The trustees were not prepared to take the ordinance up last night, but the city attorney insisted that it would be best to give it first reading. Election was set for July 2. When it came to selecting election officers, several of the trustees found themselves hunting diligently through the great register for Democrats. The law requires that the election boards be half Republican and half Democrat.

Ready for Action  
Trustee McPhee introduced the outfall sewer situation, saying that Newport Beach had granted the Southern California Sugar Co. a permit to lay a pipe line across the sandpit into the ocean, but had made it a condition that Santa Ana's sewage should not be carried in that line.

"I had thought well of the proposal to join with the sugar company," said McPhee, "but that proposal is all off, and we will have to make other plans for the disposal of sewage. An outfall is an imperative necessity. The south and west of the city are growing rapidly, and are without sewer connections. The thing for us to do is to get this matter into shape as soon as possible, and submit the bonds to the people and let them say whether or not an outfall sewer shall be built. We will have then done our duty."

### Wants Protection

Trustee McPhee stated that while he was riding in an automobile on East First street a few days ago, the machine was almost struck by a Pacific Electric car. He said that both the First street and the Chestnut avenue crossings are dangerous, the former the most dangerous of the two. McPhee moved that a committee be appointed to interview the proper authorities and have some kind of a warning device placed at those crossings so that people traveling the street may know that a car is coming. The motion carried, and the matter was referred to the board committee which will meet tomorrow with committees from the Chamber of Commerce and Merchants & Manufacturers Association to consider steps to bring before the P. E. authorities a number of requests, including the lowering of fares, getting longer stops of the Triangle Trolley Trip and the completion of the double track to Benedict.

Given More Time  
The committee appointed to investigate a proposal for a sewer on East Seventeenth street to C street was given more time for investigation.

Invitation Received  
The city trustees were invited by Sedgwick Post to participate in Memorial Day exercises, and the president of the board was asked to issue a proclamation. The invitation was placed on file and the president authorized to issue the proclamation. "And to raise the flag," suggested the mayor.

### "Speak to the janitor about that," said Alderman.

Petition Granted  
The gravel and oil pavement of Wellington avenue from French to D came up for discussion. O. M. Robbins reported that the street being an east and west street does not need a gutter very badly. He said it looked as though some of the property owners preferred not to put in cement gutters now. Engineer Finley said gutters are not necessary, but would make a better street. Alderman said he did not think it a case of "must have gutters," but thought gutters would keep weeds down and thus improve the street.

The petition for gravel and oil for the street from French to the alley west of D was granted, gutters not required. Robbins said the curbs will go in soon.

The petition for a sidewalk on the south side of Bishop from Birch to Main was not acted upon, the committee not reporting.

Engineer Finley reported that a sidewalk on West Eighteenth is being put down.

present, speaking of putting the government in the hands of the people. In one year we have lost \$6,604.14 from the change from the old way." By suggested that it would be useful information if the city could get a report on how much it costs to sprinkle streets. He thought it would be an argument in favor of putting in more gravel and oil streets.

Greenleaf said that the city ought to have some better polling places than in barns in the ninth and tenth precincts. Greenleaf said a booth should be built or a tent put up. McPhee said that now that women are voting some better places should be provided. Alderman moved that a committee confer with the county on the matter and arrange for more suitable places in the ninth and tenth precincts. Greenleaf was appointed as the committee.

By Petition Only  
Dr. Waffle for the committee of women appointed to report on the re-naming of streets, said that she thought it would be impossible to make any radical changes in streets because so many people do not want the names of the street on which they live changed. She said Cypress avenue residents do not want to give up their name, and to make Bush street into Cypress would mean that it would take years to get addresses on correspondence correct.

"Changes should be by petition only," said she. She suggested that where there are two streets that bear two names, signs should be posted at a crossing to indicate that at some blocks further on the second name would be in vogue. She said that by no means should the name of any pioneer be dropped from a street.

The report was accepted and the committee thanked for its work.

Set July 2  
City Attorney Heathman said that the state laws are such that if the ordinance calling for the election of a board of freeholders is finally passed next Monday night there would be but fourteen days in which to file nomination petitions for members of the board. He urged immediate reading of the ordinance. Postponement of a week would give but seven days for filing the petitions.

The ordinance was then read and passed for first reading.

The call places the city in five election precincts, corresponding to the wards. Election officers shall receive \$1 as compensation. The date of the election was set down—July 2. Polling places are: First ward, Lacy block; second ward, Harris House; third ward, city hall; fourth ward, Richelleu; fifth ward, Mrs. Baker's barn.

The city clerk was instructed to secure supplemental lists of the great register for use at the election.

Put in Sidewalk  
Peter Opp asked that sidewalks be put down on French street on three lots north of Washington avenue. The city attorney was instructed to begin proceedings under the Vrooman act to compel the sidewalks to be put down.

Engineer Finley stated that a retaining wall on Grant street, east side, between Third and Fourth streets, is two feet too far out in the street reservation, and if left the owner might gain some rights in the street. He said he thought the trouble comes because of an error in an old map which shows a 63-foot lot to be 65 feet. There is no special reason why the wall should be changed now, but to give the owner legal notice, the city attorney was instructed to notify the owner.

Re-Numbering Houses  
Reid stated that there is a confusion in numbering houses on South Main, South Broadway and some of the other south streets. Mr. Heninger insists on numbering houses differently from the city, and Reid thought Heninger's wishes should be acceded to. The reason for the trouble is that east of Main is a short street, Myrtle, which does not run through to the west. Thus west of Main there is a block less than there is east of Main. Residents like to have the lesser numbers so that one bearing the number will not think the house an extra block further out from First. The matter was referred to a committee, Reid and Finley.

Alderman said he thought it advisable for the committee to look up other places where the house numbering is confusing.

## OHIO BATTLE GROUND OF GIANTS

Roosevelt and Taft Will Press  
Claims in Scores of  
Campaign Speeches

### BRYAN STAMPEDE OF IOWA CONVENTION IS PLANNED

Gov. Harmon Denies Charge  
That He is Reactionary and  
False to Reforms

BELLAIRE, Ohio, May 14.—The Taft and Roosevelt battle for the Republican delegation to the National convention at Chicago, began with the arrival here of President Taft this morning.

Col. Roosevelt opens his campaign tonight at Canton. His other night speeches will be tomorrow at Dayton, Thursday at Toledo, Friday at Columbus and Saturday at Cleveland. He spoke today at Bridgeport, Martin's Ferry, Steubenville, Wellsville, East Liverpool, Rochester, Youngstown, Niles, Alliance. The Colonel crossed Taft's path several times.

President Taft plans to deliver a score of speeches within the next three days.

Taft Left as Teddy Arrives  
EAST LIVERPOOL, Ohio, May 14.—President Taft's special train left Steubenville today as Colonel Roosevelt's arrived. Although the candidates did not meet, both spoke on the same stages in seven Ohio cities.

### PLANS COMPLETED TO STAMPEDE IOWA CON- VENTION FOR BRYAN

BURLINGTON, Iowa, May 14.—The Iowa Bryan League today completed plans to stampede the state Democratic convention tomorrow for the Nebraskan. Bryanites claim it will be impossible for Woodrow Wilson or Champ Clark to control the convention. The latter are ignoring the Bryan movement.

### HARMON DENIES CHARGE OF BEING A REACTIONARY

CLEVELAND, May 14.—Issuing general denials to the charge against him of being a "reactionary," particularly Bryan's charge that he had repudiated his initiative and referendum pledge, Gov. Harmon spent the day in active campaigning in the interests of his presidential candidacy. He speaks tonight at Zanesville.

Ohio primaries will be held on May 21st, when the delegates to the state convention will be selected. There will be no presidential preference vote.

## 8 BISHOPS WILL BE GIVEN PLACES

Episcopal Committee Reports  
For That Many—Los An-  
geles to Have Bishopric

### ELECTION RETURNS RECEIVED TONIGHT

Election returns, both state and county, will be received and given out at this office tonight. Our returns will also be announced at Roosevelt Club headquarters, 418 North Main street. People may come to either place to get the returns. There will be more room at the headquarters than at this office.

In order to give a better telephone service, we request all people living east of Main street to call the Register office, phones Main 4 and Home 409; all people living west of Main street call Roosevelt headquarters, phones, Main 242, Home 673.

The Elks will receive returns at their home on North Sycamore.

## MISERY FROM STOMACH GOES

No Indigestion, Heartburn, Gas or Dyspepsia Five Minutes Later

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapiesin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

Your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your Pharmacist a 50-cent case of Pape's Diapiesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of Dyspepsia, Indigestion or any other stomach disorder.

## METHODISTS TAKE OVER NEWPORT BEACH CHURCH

The Southern California Methodist Conference has taken over the church at Newport Beach which was formerly conducted as a Baptist church. Rev. Gabrielson, a young theological divine, recently a student at U. S. C., is conducting the services. Mr. T. B. Nealley and Misses Anna Park, Gertrude and Annis Snow of the First Methodist choir of this city, furnished the music for both the morning and evening service last Sunday.

It is greatly desired that any local people who chance to be sojourning at Newport over Sunday will attend the services and help by their interest to build up the congregation of this church. It is expected that the next session of the conference will appoint a regular pastor and arrange for permanent services at the church.

## FIRST GAME IS METHODIST

League Starts Out With Successful Contest—The Score Was Close

First Methodist 12, United Presbyterian 11.

Last night at Lincoln Park was the opening of the Y. M. C. A. baseball league and the turnout of the national pastime is going to prove to be popular with all the boys. The game was between the Methodist church and the United Presbyterians. The former won after a terrific diamond battle with the Presbyterians.

Bill Warren was on the hill for the United Presbyterians and held the Methodists practically to a no score until the fourth, when the Methodist boys took a sudden liking to Bill's slants and the way they took care of his offerings would put shame to a big league. Anybody might have thought that a windstorm was coming had they passed Lincoln Park during the fourth session. The Methodist boys started with a rush and singles, doubles and all other undescribed hits were put down to their credit and when the swatting carnival was all over "Bill" Warren was seen to wipe the sweat off his brow and say: "Are they finally through? How many did they score?" "Seven in all," announced Scorer Hamilton.

The United Presbyterians made an awful try to get their lead, but there was nothing doing although a total of five runs were chalked up to their credit. One more run was scored in the fifth by each team and three more in the seventh, giving the game to the Methodists by a score of 12 to 11.

Following is the line-up:

U. P. Church	Methodists
Warren P	Stice
Andrews C	E. Coleman
Raitt 1B	R. Coleman
Todd 2B	Fipps
McFadden 3B	Godard
S. Smith SS	Geyer
Rev. Samson LF	Ball
Stevenson CF	Squires
C. Smith RF	Cannon

Score by Innings:  
Methodists . . . . . 0 0 1 1 0 3—12  
U. P. Church . . . . . 0 1 1 5 1 0 3—11  
Umpire, Rev. Wright. Scorer, Hamilton.

Below is printed the Y. M. C. A. Baseball League schedule as prepared by the athletic committee. The chairman of the committee says that it would be a good thing if each captain would clip the schedule and keep it:

May  
Friday 17—First Presbyterians and M. E. South, at Lincoln grounds.

Monday 20—German and Baptists Lincoln grounds.

Monday 20—Congregationals and Christians, Fourth street grounds.

Friday 24—U. P. and First Presbyterians, Lincoln grounds.

Friday 24—M. E. and M. E. South, Fourth street grounds.

Monday 27—Congregationals and German Evangelicals, Lincoln grounds.

Monday 27—Baptists and Christians Fourth street grounds.

Friday 31—U. P. and M. E. South, Lincoln grounds.

Friday 31—M. E. and First Presbyterians, Fourth street grounds.

June  
Monday 3—Baptists and M. E. S., Lincoln grounds.

Monday 3—German and M. E., 4th street grounds.

Friday 7—Congregationals and Baptists, Lincoln grounds.

Friday 7—German and Christian, Fourth street grounds.

Monday 10—German and M. E. S., Lincoln grounds.

Monday 10—Congregational and M. E., Fourth street grounds.

Friday 14—Congregationals and 1st Presbyterian, Lincoln grounds.

Friday 14—German and U. P., 4th street grounds.

Monday 17—Christian and U. P., Lincoln grounds.

Monday 17—Baptist and First Presbyterian, Fourth street grounds.

Friday 21—Christian and M. E. S., Lincoln grounds.

Friday 21—Baptist and M. E. Fourth street grounds.

Monday 24—Congregational and U. P., Lincoln grounds.

Monday 24—Christian and M. E., Fourth street grounds.

Friday 28—U. P. and Baptists, Lincoln grounds.

Friday 28—Christian and First Presbyterian, Fourth street grounds.

July  
Monday 1—German and First Presbyterian, Lincoln grounds.

Monday 1—Congregational and M. E. South, Fourth street grounds.

## RIPPING STREET FOR THE PAVING

Orange News: Paving operations in the Plaza were begun in earnest today when a large traction engine pulling a plow soon ripped up the hard surface of the street and the contractor's wagons began taking the dirt away.

The efforts of four men were required to keep the plow-share in the hard-packed dirt, but the big engine pulled it easily. Some buried ties of the old "dummy" line were unearthed.

**Marriage Licenses**  
Arthur W. Hamilton, 41, of Bakersfield, and Celenda A. Myrick, 38, of Santa Ana.

## The Swine or The Flower?

Ah me! I saw a huge and loathsome sty, wherein a drove of wallowing swine were barred, Whose banquet shocked the nostril and the eye!

Then spoke a voice, "Behold the source of ills!" I fled, and saw a field that seemed at first One glistening mass of roses pure and white.

With dewy buds 'mid dark green foliage nursed; And, as I lingered o'er the lovely sight, The summer breeze, that cooled that Southern scene, Whispered, "Behold the source of COT-TOLINE!"

## GIRL SINGERS HAD OUTING

Terwilliger Raising More Alfalfa Than Mule-Footed Hogs Will Eat

ANAHEIM, May 14.—The girls glee club of Anaheim High had a pleasant outing Saturday at Santa Monica.

Dr. Syre and wife of Los Angeles Sunday with Mrs. Syre's mother, Mrs. Weisel of North Los Angeles street.

Mrs. Harry Jayne and sons go to Long Beach today for a week's outing.

Mrs. Bird Beebe and Mrs. Frank Machleh left last evening for San Francisco. They go as Rebekah delegates to the national convention of that order.

H. A. Terwilliger is harvesting his second crop of Alfalfa. His forty-acre field will yield more than he can possibly feed to his mule footed hogs.

The Pythian Sisters held a convention Saturday and entertained delegates from Corona, Los Angeles and other points. Delegates were chosen to attend the national convention to be held in the near future.

The ladies of the Ebell Club met in regular session last week and elected officers for the ensuing year, as follows:

President—Mrs. Ida Tipton.

First Vice President—Mrs. Ida Dutton.

Corresponding Secretary—E. Kate Rea.

Recording Secretary—Miss Hayler.

Curator—Mrs. F. C. Spencer.

This society has an enrollment of one hundred and ninety-two members and are formulating plans for a fine new club house to be erected soon.

## SYRUP OF FIGS IS BEST FOR A CHILD

Cleanses It's Little Stomach, Torpid Liver and Constipated Bowels

Mother! look at the tongue! see if it is coated. If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad; has stomacheache, diarrhoea, sore throat, or is full of cold, it means the little one's stomach, liver and 30 feet of bowels are filled with poisons and clogged up waste and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours the foul, decaying, constipated matter, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you will surely have a well and smiling child shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Company. This is the delicious, tasteful, genuine old reliable. Refuse anything else offered.

**Funeral of John Nichols**

(Communicated)

The funeral service of John Nichols was held at his home in El Modena at 10 a. m. May 13, 1912.

M. S. Davis of the International Bible Students' Association had charge of the services. A brief life sketch told that Mr. Nichols was born February 24, 1839, in Tennessee. When 10 years old his parents moved to Arkansas where he lived until 1900. Thence he went to Texas, coming from there to California about 10 years ago and has resided near and in El Modena for eight years. In 1868 he was married to Elizabeth S. Miller who, with ten children, survive him, of whom were present, Mrs. W. L. Has and husband, Clark and wife, Nora, Floyd and Jobe. Those absent being Mrs. Della B. and Mrs. W. H. McGirk.

He leaves one brother, A. J., of Ozark, and a sister, Mrs. C. Floyd, of Walden, Ark. During the Civil War he served in the Confederate army.

About 1880 he united with the Baptist church at Ozark. Nearly eleven years ago, while living in Texas, he became interested in "God's Plan of the Ages," and the explanations as set forth in the "Studies in Scripture," and accepted these teachings as a correct and harmonious explanation of God's dealings with mankind.

Mr. Davis took as a basis of his remarks, John 5:28-29 (R. V.) and pointed out from the scriptures the conditions and rewards of those having part in the first resurrection (Rev. 20:6), and the final results that will be attained on earth through Christ and those associated with Him, in judging the world. In His kingdom, as shown in Rev. 21:3-4, and also in the fulfillment of the "Lord's Prayer."

This was the hope of Mr. Nichols, that he might be permitted to enjoy the blessings of Christ's reign and see his mother and others in this phase of the kingdom.

Just in, several dozen of the latest things in Bangalore Notes—a handsome line to choose from—at Chandler's, 510-512 North Main St.

## SOMETHING TO BRAG ABOUT

Most people believe all druggists are alike; but it is a queer conception and quite wrong. It was only recently quoted by one of our most prominent physicians in this city, that he is always pleased when his prescriptions are filled at Rowley's, because he knows that the quality of drugs used gives him the desired results. Therefore bring your prescriptions to us—even if you have to walk a few blocks out of the way, it will pay you every time. You are assured of getting only the best to help a long your speedy recovery.

WHERE DO YOU HAVE YOUR PRESCRIPTIONS FILLED?

Now Is The Time To Kodak

## ORANGE BOY MAKES GOOD

Clyde Shoemaker Receives High Honors as Law Student at Stanford

STANFORD UNIVERSITY, May 14.—Among the four men who have been elected to membership in the Order of the Coif, the law scholarship society, is Clyde C. Shoemaker of Orange. Shoemaker graduated from Stanford in 1910 and this year will receive the degree of juris doctor.

The Order of the Coif is a national honor society in law school and membership in it is the highest distinction a law student can obtain. The faculty elects each year the four men who have made the best scholarship records during the three-year graduate law course.

Shoemaker has been engaged during the summers for the last two years as a deputy in the office of County Clerk Williams and has shown his unusual ability wherever placed. It is probable that Shoemaker will begin the practice of law in Santa Ana.

## SUCCESSFUL MEETING OF GARDEN GROVE Y.P.B.

GARDEN GROVE, May 14.—The Garden Grove Y. P. B. met at the home of Warren Ashleigh on Friday evening, May 10. The meeting was called to order by the president. The roll-call and the various reports were given, after which the program was rendered, being the regular missionary meeting the reports were given regarding the temperance conditions in various foreign countries. After a social hour, refreshments were served and the meeting adjourned to meet with Velda Fulsom on Friday, June 4, next.

# THE "CALIFORNIA OUTLOOK"

## FOR HALF PRICE

### Only \$1.00 a Year

**This is the Biggest and Best Educational and Political Value Ever Offered in California.**

If you want to know the truth about public affairs, and have them analyzed correctly, and commented upon with brilliant intelligence, subscribe for and read The "California Outlook."

It is especially valuable to first voters, which includes all women.

A splendid, independent, weekly newspaper in magazine form, regular subscription price \$2; can be had by subscribing at once, through The Register for only One Dollar a year—half price.

The Register has arranged to offer this splendid publication—The "California Outlook," a Progressive Weekly—to its readers at half price because it *knows* how illuminating its pages are. Charles Dwight Willard's series of articles on "Government," addressed "To the Men Voters of California," alone is well worth many times a year's subscription to The California Outlook.

A copy of The Outlook is sent this week to every reader of The Register in Orange county. Read it.

Lend it to your neighbors to read. And then send or bring your subscription to this office.

## COLD WAVE HITS THE MIDDLE WEST

Frost and Snow Laden Air Chills From Montana to Colorado East to Ohio

WASHINGTON, May 14.—A belated cold wave, sweeping down from the Canadian northwest, caused frost, snow and shivering temperatures yesterday from Montana and Colorado eastward to Ohio. The cool weather extended south as far as Texas, and by today will have reached the Atlantic coast, causing frosts and probably snow in the states along the Canadian border.

## TWO MORE I. W. W.'S TURNED OUT OF JAIL

Only Five of the Original Crowd Remains in the County Jail Here

Under instructions from San Diego, County Jailer Jernigan today turned two I. W. W.'s out of jail. Out of the thirty that were originally brought here from San Diego, five remain. Those who have been turned out are instructed to appear in San Diego for trial.

The two men who were given their freedom today are W. D. Gillette and G. A. Wood. They were glad to get out into the sunshine.

AT THE COURTHOUSE

## FOR PURPOSE OF A DEFENSE

Attorney B. E. Tarver Asks Letters on Estate of Lucy Devonshire

For the purpose of making a defense for the estate of Lucy Devonshire in the action brought against it by Public Administrator Winbiger as administrator of the estate of Thomas Devonshire, Attorney B. E. Tarver has applied for letters of administration on the estate of Lucy Devonshire.

This estate has been much in court. After Mrs. Devonshire died at Fullerton, a suicide, her grandson, Arthur Roy MacDonald, secured judgment giving him title to the estate, valued at \$25,000, including a ranch at Placentia, defeating Mrs. Devonshire's sons and daughters, who contended for the estate. MacDonald proved that the real estate was held by Mrs. Devonshire in trust for him. E. H. Markel, who was then administrator of the woman's estate, was discharged, although an appeal was taken to the supreme court.

In February, Winbiger began suit as representing heirs of Thomas Devonshire, who died before his wife. Winbiger contends that the estate did not pass to Mrs. Devonshire in trust for MacDonald, and that it rightfully should go to the heirs of Thomas Devonshire. Tarver applies for letters on the woman's estate that a fight may be made in court against Winbiger's contention.

**Foreclosure Actions.** Two suits of foreclosure have been brought by S. W. Keiser against Stretna S. Oster, C. H. De Waide and others, nine acres on West First street being the property concerned. One suit is on a note of \$1840 and the other on a note for \$1500, both given by Stretna Oster, then Stretna Phelps, to L. W. Spaulding, who has assigned to Keiser. W. L. Jarrott of Los Angeles is attorney for the plaintiff.

**To Quiet Title.** The death of a banker in Kansas is a fact back of a suit brought in the superior court here by the First National Bank of Holton, Kan., against the estate of T. F. Moore and the estate of Minnie L. Moore, a minor.

T. F. Moore was president of the bank in 1906 when S. V. Poston of Brown county, Kan., transferred 200 acres to Moore in trust for the bank. Moore traded this property to Peter B. Glover for 50 acres at Old Newport, and the deed was made out to Moore, still holding in trust for the bank. Moore died in June, 1909.

Moore's heirs recognize the trust, and with the exception of the minor have given quitclaim deeds to the bank. In order to legally quiet title as against the estate and the minor, the suit here became necessary. Attorneys for the bank are L. M. Hartwick of Orange and B. E. Tarver of Santa Ana.

**An Old Homestead.** Jonathan Watson of Olive, with Williams & Ruten, attorneys, has petitioned the superior court for an order vesting in him a homestead on 149 acres at Olive. This homestead was declared on October 1, 1879, by Watson and his wife, Louisa Jane Watson, who died in 1890.

**Appraisers Named.** W. R. Fine, H. H. Moye and J. C. Quick have been appointed to appraise the estate of John Yost.

**Amended Complaint.** Attorney Harding has filed an amended complaint in the suit of John Bergen against Mrs. Muriel E. Morris, owner of 160 acres above San Juan Hot Springs. Bergen alleges that he loaned Mrs. Morris \$3,000 with the condition that it be paid back when she got title to her mountain ranch, that she has secured title and has refused to pay him the money.

## NINETY DAYS HIS SENTENCE

Mexican Youth Who Stole Helt's Bicycle Is Sent to County Jail

E. Padrosi will spend the next ninety days in the county jail for stealing E. E. Helt's bicycle from in front of K. P. Hall last Saturday night. Padrosi was tried by Justice Cox yesterday afternoon, convicted and sentenced. Padrosi declared that he was not a thief, that there are lots of people who know that he is not a thief. He said that his people live in San Diego.

Policemen Ryan and Boynton testified that they saw Padrosi get off the bicycle that Helt afterwards identified as his. When Padrosi was questioned, he admitted taking the bicycle. At the time he was somewhat intoxicated. He was locked up, and the next day it developed that the bicycle was stolen.

## MAKES PIMPLES GO

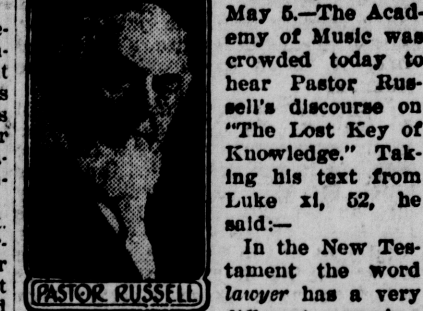

With the finger tips apply a little Zemo to the skin. Pimples and blackheads vanish. Zemo is a liquid, not a smear. Leaves no trace. Just simply sinks in and does the work. Best remedy for eczema and all skin affections.

A 25-cent trial bottle is guaranteed and you surely will find Zemo a wonder. Get a bottle now from Wheeler and Mater's Drug Store.

## KEY OF KNOWLEDGE LOST BY PHARISEES

Modern Application of Jesus' Words by Pastor Russell.

"Woe Unto You, Doctors of Divinity! Ye Have Taken Away the Key of Knowledge; Ye Entered Not in Yourself, and Them That Were Entering Ye Hindered."

Brooklyn, N. Y., May 5.—The Academy of Music was crowded today to hear Pastor Russell's discourse on "The Lost Key of Knowledge." Taking his text from Luke xi, 52, he said:—

In the New Testament the word *key* has a very different meaning from our general usage. It applied to those religious teachers of the Jews who made special professions of sanctity of heart and earnest desire to know God's will, as expressed in the Mosaic Law, and to teach the same to the people. The corresponding class of today are designated Doctors of Divinity. Our text, therefore, with this correction, reads, "Woe unto you, Doctors of Divinity, for ye have taken away the Key of Knowledge; ye entered not in yourselves, and them that were entering ye hindered." When the common people heard Jesus gladly they inquired, "Have any of the Scribes and Pharisees believed on Him? Have the Doctors of the Law endorsed Him?"

**The Key of Knowledge Buried.** In our text Jesus charged the Jewish Doctors of Divinity with the responsibility of having taken away the Key of Knowledge, refusing to use it themselves to enter into the great appreciation of the blessings then due, and hiding it from the common people, who trusted them so implicitly. We charge that the same thing is true today. Not only were the Jewish people typical of spiritual Israel, and their Age typical of this Age, but additionally, now as then, "God's people perish for lack of knowledge."—Hosea iv, 6.

It is this matter of misleading the people, deceiving them, that constituted the basis of Jesus' charge against the Doctors of Divinity of old, and we believe that His judgment is very similar today respecting the Doctors of Divinity of Christendom—"Ye have taken away (ye have hidden) the Key of Knowledge; ye have not entered in yourselves, and them that were entering ye hindered."

## Necessity For Knowledge.

Knowledge of God, the Bible declares, is indispensable for the attainment of the great prize of the High Calling. Thus Jesus said, "This is life eternal, that they may know Thee, the only True God, and Jesus Christ, whom Thou hast sent." (John xvii, 3.) We are not to understand this to signify that anyone who has merely been made acquainted with the fact that there is one Creator, and that Jesus is His Son, is on account of this knowledge to be granted everlasting life.

Our Lord's words do not refer to a knowledge about God, but to a knowledge or personal acquaintance with God and His Son. And such an intimate acquaintance is not obtained merely by an introduction, but by companionship; it signifies an intimacy of acquaintanceship, a familiarity.

Thus Jesus prayed for us, His followers, "Sanctify them through Thy Truth, Thy Word is Truth." Any who neglect the Divine Word will fail of the sanctifying power and thus fail of the acquaintanceship with God which alone guarantees everlasting life.

To those who have come under the sanctifying influence of His Word our Lord says today, as He said to His Jewish followers eighteen centuries ago, "To you it is given to know the Mystery of the Kingdom of God, but to all outside these things are spoken in parables and dark sayings, that hearing they might not understand, and seeing they might not perceive." The outsiders—the Doctors of Divinity—are not permitted the Key of Knowledge. "Even so, Father, for so it seemeth good in Thy sight."—Matthew xi, 25, 26.

## What Constitutes the Key?

The Key of Knowledge consists of the faithful study of God's Word, with an honest purpose to know the things that are freely given unto us of God. This implies a consecration of heart, for none others would really desire that they might do the Divine will. And this implies also a faith in our Lord's promise that "he that doeth the will of My Father shall know of the doctrine." (John vii, 17.) It is this consecrated, conscientious Bible study that is lacking today—that is being discouraged today by the great teachers and Doctors of Divinity.

Everything calculated to help Bible study, to get rid of the darkness of the creeds and superstitions of the past, is opposed—but not openly. But, oh, what weeping of disappointment, and what a chagrin and gnashing of teeth will come shortly to the "false shepherds," to the Key-hiding Doctors of Divinity, when they find that with all their endeavors to bolster up shams and superstitions in which they themselves do not believe, the entire fabric of Churchianity will collapse, as the Scriptures predict!

## EFFECTS OF VEGETABLE DIET

The effects of special diets on animals have been studied mostly for so short a time that often definite conclusions are hardly warranted. The fact that an animal maintains its weight and apparent health for a limited time on a special diet is not a reliable indication that it could do so throughout its whole life. Consequently, the study of the effects of special diets ought to be continued during the animal's lifetime, and if the effect on the offspring is to be ascertained, the study should extend also to succeeding generations.

An experiment of this general nature to test the effect of a strictly vegetable diet on the spontaneous energy, the growth, and the length of life of the albino rat has been conducted by Slonaker, and the results obtained are interesting. From the observations it appears that the rats which ate everything they could get were much more active and voluntarily did more work than the vegetarian rats, the average ratio of the efficiency being 7½ to 1. This difference in activity did not become noticeable to any extent until about two or three months after the experiment began.

Slonaker placed four rats, male and female, of the same parentage and age, in rotary cages with speedometers attached. At the end of twenty-five months the record of the meat-eating female rat was 5477 miles, while the meat-eating male rat had 1447 miles to his credit. The female vegetable-fed rat covered 447 miles and the vegetable-fed male rat only 200 miles.

The vegetarian rats became old earlier and their growth was greatly retarded. The general conditions of the latter were very much better, the vegetarians being frail, weak and without energy. While the average

"Get the Habit"—trading with

W. A. Huff

life of the omnivorous rat was 1020 days, that of the vegetarians was 555 days only.

To what extent these very striking results may be applied to man is difficult to determine. It is to be remembered that the rat, like man, is by nature an omnivorous animal. Slonaker points out that numerous recorded observations on man with respect to the effects of diets seem to indicate that he does more work, attains greater stature and accomplishes more both mentally and physically on a mixed diet than on a vegetable diet, or almost exclusively vegetable diet. The Journal of the American Medical Association concludes that there is a very strong likelihood then that the results of the experiments on the white rat would be duplicated in the case of man if he were subjected to similar conditions throughout his lifetime. The experiment of Professor Slonaker, without perhaps settling anything, adds to the joy of life as a contribution to the perennial discussion of vegetarianism versus a mixed diet.

The Dangerous, Disgusting  
House FlyL. O. Howard, Chief of the Bureau of  
Entomology of the State Department  
of Agriculture

The insect we now call the "house fly" should in the future be termed the "typhoid fly," in order to call direct attention to the danger of allowing it to continue to breed unchecked.—L. O. HOWARD.

Article IV.

## EXPERIMENTS AND RESULTS

During the summer of 1897 a series of experiments was carried out with the intention of showing whether it would be possible to treat a manure pile in such a way as to stop the breeding of flies. The writer's experience with the use of air-slaked lime on cow manure to prevent the breeding of the horn fly (*Haematobia serratia* Rob. Desv.) suggested experimentation with different lime compounds. It was found to be perfectly impracticable to use air-slaked lime, land plaster, or gas lime with good results. Few or no larvae were killed by a thorough mixing of the manure with any of these three substances. Chloride of lime, however, was found to be an excellent maggot killer. Where 1 pound of chloride of lime was mixed with 8 quarts of horse manure, 90 per cent of the maggots were killed in less than 24 hours. At the rate of one-fourth of a pound of chloride of lime to 8 quarts of manure, however, the substance was found not to be sufficiently strong. Chloride of lime, though cheap in Europe, costs at least 3½ cents a pound in large quantities in this country, so that the frequent treatment of a large manure pile with this substance would be out of the question in actual practice.

Experiments were therefore carried on with kerosene. It was found that 8 quarts of fresh horse manure sprayed with 1 pint of kerosene, which was afterwards washed down with 1 quart of water, was thoroughly rid of living maggots. Every individual was killed by the treatment. This experiment and others of a similar nature on a small scale were so satisfactory that it was considered at the close of the season that a practical conclusion had been reached, and that it was perfectly possible to treat any manure pile economically and in such a way as to prevent the breeding of flies. Practical work in the summer of 1898, however, demonstrated that this was simply another case where an experiment on a small scale has failed to develop points which in practical work would vitiate the results.

The stable of the United States Department of Agriculture, in which about 12 horses were kept, was situated about 100 yards behind the main building of the department and about 90 yards from the building in which the Bureau of Entomology is situated. This stable was always very carefully kept. The manure was thoroughly swept up every morning, carried outside of the stable, and deposited in a pile behind the building. This pile, after accumulating for a week or 10 days, or sometimes two weeks, was carried off by the gardeners and spread upon distant portions of the grounds. At all times during the summer this manure pile swarmed with the

Parsons &amp; McNaught

418-418 West Fourth St.  
BOTH PHONES 67

had been built in the corner of the stable nearest the manure pile. It had a door opening into the stable proper, and also a window. A door was built in the outside wall of this closet, and the stablemen were directed to place no more manure outside the building; in other words, to abolish the outside manure pile, and in future to throw all of the manure collected each morning into this closet, the window of which in the meantime had been furnished with a wire screen. The preparations were completed by the middle of June, and a barrel of chlorid of lime was put in the corner of the closet. Since that time every morning the manure of the stable is thrown into the closet, and a small shovelful of chlorid of lime is scattered over it. At the expiration of ten days or two weeks the gardeners open the outside door, shovel the manure into a cart, and carry it off to be thrown upon the grounds.

Judging from actual examination of the manure pile, the measure is eminently successful. Very few flies are breeding in the product of the stable which formerly gave birth to many thousands daily. After this measure had been carried on for two weeks, employees of the department who had no knowledge of the work that was going on were asked whether they had noticed any diminution in the number of flies in their offices. Persons in all of the offices on the first floor of the two buildings were asked this question. In every office except one the answer was that a marked decrease had been noticed, so that the work must be considered to have been successful.

In the account of this remedial work has been given with some detail, since it shows so plainly that care and cleanliness combined with such an arrangement as that described will in an individual stable measurably affect the fly nuisance in neighboring buildings.

With the combined efforts of the persons owning stables in a given community, much more effective results can undoubtedly be gained.

In the consideration of these measures we have not touched upon the remedies for house flies breeding in human excrement. On account of the danger of the carriage of typhoid fever, the dropping of human excrement in the open in cities or towns, either on vacant lots or in dark alleyways, should be made a misdemeanor, and the same care should be taken by the sanitary authorities to remove or cover up such depositions as is taken in the removal of the bodies of dead animals. The box privy is always a nuisance from many points of view, and is undoubtedly dangerous as a breeder of flies which may carry the germs of intestinal disease. No box privies should be permitted to exist unless they are conducted on the kerosene principle. With a proper vault or other receptacle, closed except from above, and a use of kerosene and water, the breeding of house flies can be prevented.

## Election Returns at The BELL Tonight

IS PREPARING  
FOR TROUBLE

ORANGE, May 14.—Orange is expecting to have a fight on its hands with the Southern Counties Gas Co. by reason of the passage of the ordinance lowering the gas rate from \$1.25 to \$1.15 per 1000 cubic feet. The ordinance designates July 1 as the time for the new rate to go into effect.

In order to be fully prepared to meet the gas company and to know fully what the rights of the city are, the City Trustees last night named City Attorney Brown and Trustee Dittmer as a committee to go to San Francisco to interview the Public Utilities Commission. It is possible that the commission will take the entire matter out of the hands of the Trustees.

**Vote Is Light**

## A FAREWELL PARTY

Number of Friends Gathered at McLeod Home to Say Good-bye to Mr. and Mrs. Smith

Mr. and Mrs. S. D. Smith, the latter a sister of Dr. W. O. McLeod, were the complimented guests at a surprise party given them last night at the McLeod home on Birch street where they have been guests all winter. The affair was in the nature of a farewell, a party of friends made by the Smiths gathering to spend a last evening with them before their departure tomorrow on their way to their home in Shelbyville, Missouri.

A jolly time followed the invasion of the house, tinged with regret over the near-at-hand departure. Delicious ice cream and cake taken in by the visitors, were served before the close of the pleasant evening. A pretty token of friendship was also presented to Mr. and Mrs. Smith by the friends.

Besides Dr. and Mrs. McLeod and their daughters, Mrs. S. B. Townsley and Mrs. W. T. Harris, there were present the complimented guests, Mr. and Mrs. Smith, Rev. and Mrs. H. E. Murkett, Rev. and Mrs. O. S. Russell, Rev. and Mrs. A. L. Dearing, Dr. and Mrs. Spaulding, Mr. and Mrs. Van Wyck, Mr. and Mrs. J. B. Head, Mr. and Mrs. R. E. Miles, Mr. and Mrs. C. W. Burns, Mr. and Mrs. John Peters, Mrs. D. M. Burns, Mrs. Laura Cutler, Mrs. Craig, Miss Cordray, Miss Corinne Burns and Edward Burns.

**Economic Section Will Meet**  
Section Number One of the Household Economics of the Ebell will meet with Mrs. J. H. Rankin, 815 Spurgeon street, next Friday afternoon.

**Mr. Cook's Hospitality**  
At the San Joaquin fruit ranch recently an oyster supper and dinner were given by the manager, A. Cook, at his ranch-house home, about forty parook of Mr. Cook's hospitality, enjoying the occasion greatly.

**Y. M. C. A. Cabinet Meeting**  
There will be a cabinet meeting of the local Y. M. C. A. this evening at 7 o'clock in the parlor of the First Presbyterian church. Officers and committee chairmen are urged to be present.

**Ladies' Aid Organized**  
The ladies of St. Peter's Evangelical Lutheran church met last Thursday at the home of Mrs. Knock and organized a Ladies' Aid Society. After the business was completed, the hostess served nice refreshments. The next meeting will be held at Mrs. Quandt's on Prospect avenue, the second Wednesday in June.

**Woman's League Affairs**  
The American Woman's League held a well attended meeting at the city hall, Saturday afternoon. Reports

**THE FLIRTY SPRING BREEZE**  
I am the gentle breeze  
That blows in spring—  
The thing  
Concerning which the poets sing  
Their melodies.  
I flip flaps through the street;  
I rout  
The microbes out  
And send them forth to meet  
The man who fails to close  
His mouth or use his nose  
For breathing purposes. I make  
The hobbie skirt  
Look like a pair of tights. I'm wild  
and free;  
I break  
Through windows, and I flirt  
With destiny.  
I am the gentle breeze;  
I scatter dust  
Upon the wicked and the just;  
When buds begin to burge  
Rip off signs and uproot trees;  
I cause old people's bones to ache;  
I make  
The rich depart for warmer climes,  
And carelessly betimes  
I cause the poets to indulge  
In rhapsodies.

from the A. W. L. Exchange showed it to be in a flourishing condition and filling a long-felt want in Santa Ana. Plans have been arranged with the Magazine Subscription Company, 32 Union Square, New York City, under which members can handle subscriptions to over 3000 magazines and Journals. The A. W. L. Woman's Exchange, 304 North Main street, is headquarters for receiving these subscriptions which include any magazine or Journal taken in Santa Ana, and the favor is conferred upon the people by the ladies who are willing to look after the details.

On June 17 in beautiful Birch Park, the league will celebrate the birthday of Miss Helen Trickey and Beattie Anderson, members of the league, with a basket picnic. It will be a Lewis jubilee day, celebrating the closing of the seven years' warfare between a great government and a private citizen, whose integrity and honesty have been upheld by the Ashbrook committee, who represent the Congress of the United States.

**Accepts Call to Church Here**  
It affords great pleasure to the vestry of the Church of the Messiah to announce the acceptance of the call extended Rev. Richard Whitehouse, of Dunmore, Penn., to fill the vacancy caused by the resignation of Rev. W. H. Wotton. Mr. Whitehouse begins service here October 1.

**For Erwin Barnes**  
Hugh Plumb was the host at a seven-thirty dinner Saturday evening in honor of his friend, Erwin Barnes, who is soon to be married. Yellow was the color used in the table decorations of this pretty dinner, the center piece was of yellow roses and the place cards bore wedding bells with cupids on them.

Covers were laid for the honored guest, Erwin Barnes, and Roy Peterson, Lester Carden, Cecil DuBois, Richard Marple, Harvy Gardner, Lacy Coe and Hugh Plumb. The remainder of the evening following the dinner was spent with whist.

**For Catholic Ladies**  
Mrs. W. J. Schouberg, who with her husband is sojourning at Balboa for a week or two before leaving for their Mendocino County ranch, will be hostess tomorrow to all the ladies of the Catholic church of Santa Ana. A pleasant time is anticipated by the large number of ladies who plan to accept her hospitality. The party will

bedtime. Swift journey to be sure, but this is a fast age, and with autos and aeroplanes and other rapid means of locomotion, one can get anywhere in almost the twinkling of an eye, metaphorically speaking.

In the proposed trip, stops will be made at Japan, Peru, Dixie Land, Ireland, Alaska. All who wish to make the trip must first go to the First Methodist church where automobiles will be left for the travelers away at 5:30 o'clock for the first country scheduled in the itinerary. After the journey has been completed, return will be made to the church where a fine program and a social time will be enjoyed. Refreshments will be served at the various stops on the around-the-world trip.

This promises to be a most attractive travel trip and it is likely there will be a great crowd of passengers all ready to board the "mobiles" as they line up at the church on Friday evening. Don't be late and miss your car.

**Guild Will Meet**  
The Woman's Guild of Episcopal Church will meet tomorrow afternoon at 2 o'clock in the Guild Hall. All members of the Guild are requested to be present.

**FOR EXCHANGE**—20 acres Tulare county, and 20 acres Southern Oregon. Both clear. Want clear lot or acreage here. See J. Wiley Harris at Abstract & Title Guaranty Co.

## CHILDREN WILL LIKE THIS

LONDON, May 14.—Three members of the National Food Reform Association and others yesterday met in conference in the Guildhall to discuss diet for school children.

Dr. Duke, the physician at Rugby, said there was undoubtedly need for better food for girls. Adults should arise from the table hungry, the doctor said, but it is different with children.

All boys and girls, Dr. Duke said, should have besides a substantial breakfast and dinner, all kinds of jams, fish, potatoes, meats, cakes, treacle and honey.

All children are expected to agree with the doctor's dictum.

## CLEVELAND SOLVING PROBLEM OF THE HIGH COST OF LIVING

### Fish Trust "Busted" and Fish Now Five Cents Per Pound—Municipal Market Houses and Stores Planned

CLEVELAND, O., May 14.—Cleveland has fought and "busted" the fish trust by the organization of a company, through the influence of Public Service Director William J. Springborn and Park Superintendent Fred C. Alber. The company is now selling several tons of fish daily to Clevelanders at five cents a pound. The old trust price ranged up to fifteen cents a pound and sometimes more than that.

Now Councilman Edward Bieder is fathering a plan whereby Cleveland is to inaugurate a great fight to reduce the cost of living all along the line on farm produce. His plan contemplates the establishment of municipal market-houses and stores, where a market superintendent, backed up by a sufficient force of helpers, shall receive consignments of produce from the farms, make distributions and handle collections.

Mayor Baker is enlisted on the side of the Bieder plan and has directed the city solicitor to look into its constitutionality. Here is the Bieder plan as described by Bieder himself:

We have successfully fought for cheaper fish and have succeeded because the lake fish were right at the doors of our city, but the supply was being limited by the amount that the fish trust would accept. Why cannot we do the same thing with

farm produce, which is also right at our doors? The supply brought to Cleveland is limited by the amount the commission houses will accept.

"Hundreds of thousands of apples within easy shipping distance of this city either rot on the ground or are fed to the hogs because the orchard owners cannot find a market for them. That keeps the price of apples high. The same is true of other produce.

"Now then, suppose the city empowers its market superintendent to receive consignments of produce and distribute them to the market-men and municipal stores which, I think, should be established. The producers would have confidence in such an officer—he would see that both sides were properly protected, the exorbitant middle-man's profit would be eliminated and the consumer would get produce at cheap prices. He could have fresh things on his table instead of inferior and limited food-stuffs.

"How well the plan of a distributing agent can be worked is shown by the successful formation of the lettuce-growers' association of the Ashtabula, Ohio, where the members keep a personal representative at Pittsburgh to whom they consign their lettuce and cucumbers for distribution. The scheme has worked like a charm there for 12 years."

## CO-OPERATIVE FRUIT MARKET-ING SUCCESSFUL IN CANADA

In the Province of Ontario, co-operation has been applied with considerable success to the sale of fruit. Some thirty-six societies with this object have, as it were, sprung up spontaneously, without guidance from any central organization. The societies, consequently, show considerable variety of type and many of them are organized in forms ill-adapted to co-operation. The co-operative spirit, however, is strong amongst the members, and true co-operative forms are gradually being evolved.

From a recent publication of the Ontario Department of Agriculture, the Bulletin of Economic and Social Intelligence, published by the International Insular Association of Agriculture, takes some particulars relative to the co-operative fruit associations in Ontario. These may be divided roughly into three classes: (1) Apple Associations, shipping mainly to distant markets; (2) General Fruit Associations, shipping to both home and distant markets; (3) Small Fruit Associations, shipping mainly to home markets.

As a typical example of an apple-fruiting association is mentioned the Fruit Growers' Association, which is simple in form, having no shares; it depends for its working capital on the deposits of the buyers, who are required to pay into the bank a certain percentage of the price before the fruit is shipped and the remainder within so many days. The society pays to each member a certain price per barrel, reserving a little more than sufficient to pay expenses. At the annual meeting all remaining moneys are divided amongst the growers in proportion to the business done with the society. The average annual pack is about 7000 barrels.

A similar business is carried on by the Oshawa Fruit Growers' Association, which, however, is organized as a joint-stock company. The other apple-fruiting associations conform to one or other of these two types.

Of the general fruit associations the Burlington Fruit Growers' Association is the oldest established. It is remarkable for its simplicity of form. It has

neither constitution nor by-laws, but only a verbal agreement between the members. Nor has it any capital. Each grower packs his own fruit and it is shipped under his own name and on its individual merits. There is a manager who orders cars for shipment, directs growers when to deliver fruit, and pays over to each grower the price that each shipment of fruit has brought. For this he is paid a small commission.

A different type of general fruit association is the St. Catherine's Cold Storage Company. In form this is a joint stock company, but it has worked steadily on co-operative lines. It has a mechanical cold storage plant valued at \$13,000. Part of the capital was raised by shares and part by a mortgage on the property. The mortgage debt has, however, been paid off by the share-capital subscribed by the members. Annual sales of fruit amount to about \$75,000 a year, and the society also supplies considerable quantities of agricultural requirements to its members.

Yet another type of general fruit association is found in the Grimsby Co-operative Association, which consists of seven large fruit growers, cultivating, in the aggregate, nearly 500 acres. The shares are held by the members in equal portions. The small fruit associations are nearly all local branches of the Ontario Fruit Association. The object of this association is the advancement of fruit-growing interests and it is not itself a trading body, but its branches tend to develop into co-operative societies both for the sale of fruit and the purchase of requirements.

Just in, several dozen of the latest things in Bungalow Nets—a handsome line to choose from—at Chandler's, 510-516 North Main St.

### WALL PAPER TRUST IS SUED BY GOVERNMENT

CLEVELAND, May 14.—Criminal prosecution of the wall paper trust by the government was begun yesterday with the filing of a suit against the concerns alleged as composing the combine. The suit charges them with criminal conspiracy to restrain trade, and demands their dissolution for violation of the Sherman anti-trust laws. The principal witness for the prosecution is Frank Halt of Hoboken, N. J., proprietor of a string of wall paper stores.

### Hill's Corner

If Roosevelt carries the day tomorrow and again in November (and we think he will) or if Mr. Taft should be nominated, and Clark, Wilson or Bryan be elected next November, we expect to be "doin' business" at the same place that has known us for the past twenty years.

Prices have fallen off considerably on Plumbing Goods during the past two weeks and that has induced us to buy more goods than usual.

The prices may go lower and thus show us that we have bought too quick, but we have taken the chance and if Bath Tubs, Bowls, Toilets and other plumbing goods become still cheaper we will follow the market to the bottom.

We are ready to figure all jobs on the present market which is "way off."

We are well stocked up on all goods in our line.

S. HILL & SON.

213 East Fourth St.

## NEW TRACT ON FINE CLIFFS

Edgar McKnight is Making Arrangements For Map of Fisherman's Cove Vicinity

Edgar McKnight of Los Angeles was in Santa Ana today making arrangements with Engineer S. H. Finley for the platting of a portion of the magnificent ocean front that McKnight owns along the Laguna cliffs. McKnight owns 130 acres running from Fisherman's Cove to Coward's Cove and Seal Rocks. At present he will plat a portion adjoining the cliff subdivisions.

McKnight looks for great development at Laguna Beach during the present summer. He says that the cottages are nearly all occupied already, building is going on all along the beach and a great deal of property has been sold during the winter.

## WAR ON FROST BY NEW ASSOCIATION

Pomona Citrus Growers Form Orchard Protection Society

POMONA, May 14.—As a result of the recent frost prevention convention in this city, an association has been formed, the first of its kind in existence, known as the Pomona Valley Orchard Protection Association. One hundred and fifty men with a total of 2000 acres of citrus property have entered as charter members. Only individuals and corporations owning citrus property may become members.

The association provides for a common fund to assist in carrying out the obligations assumed by the members for the prevention of injury to their crops by frost and in combating legislation to prevent smudging. A membership fee of 50 cents is required, and assessments will be levied to provide oil for common use.

A committee of seven will perfect the organization and then appoint the required officials and an executive committee. The committee of seven is composed of Fred J. Smith, E. E. Gillen, H. J. Nichols, J. E. Adamson, F. P. Pirey, E. E. Chinn and L. H. May.

The local men are confident that the organization will spread over the entire state and a common association result.

## NOSE STOPPED UP WITH CATARRH

Ely's Cream Balm Clears the Head and Nose Instantly, Makes You Feel Fine

No matter how miserable you are with catarrh—nose stopped up, throat sore, dull pain in the head, dry cough, fever, foul breath—Ely's Cream Balm will give you instant relief.

It gets right at the root of the trouble, cleanses, heals and strengthens the raw, sore membranes, and stops the nasty discharge so that you are not constantly blowing your nose and spitting. In a few minutes after application, you can just feel it doing its work of clearing the head, the pain and soreness are relieved, the breathing becomes natural, and the stuffed up feeling is gone. This cleansing, healing, antiseptic balm contains no mercury, cocaine or other harmful drug. It is easy to apply, pleasant to use, and never fails to give quick relief, even in the worst cases.

Don't suffer the miseries of catarrh nor disgust your friends with your hawking, spitting and foul breath. Get a fifty cent bottle of Ely's Cream Balm from your druggist, and start treatment at once. You will find it will prove to be the best investment you ever made. Rowley Drug Company, agents.

## RUSSIA IS GIVING LIBERTY TO WOMEN

Laws Now Making Show a Steady March Towards Larger Civic Freedom

ST. PETERSBURG, May 14.—Married women in Russia henceforth will be legally capable of taking out their own passports and of engaging in state or private service without their husbands' consent.

The state counsel has just accepted a bill for this purpose. The incident focuses attention on the fact that in spite of political oppression and the general backwardness of the country Russian women are steadily marching toward a larger liberty.

Another law is in preparation giving sisters equality with brothers in the matter of inheritance.

#### LOS ANGELES PRODUCE MARKET

Old potatoes declined 25 cents a hundred pounds yesterday on account of the arrival of new potatoes in rapidly increasing quantities. The stock of old potatoes is moving out rapidly, the only varieties remaining being Highlands, Lompoc, Oregon, White Rose and Idaho. The two latter varieties are practically exhausted now. The quotation on new potatoes was changed yesterday from pounds to hundredweight, the range being from \$3 to \$4. Produce men who are re-sacking old potatoes say they are long from forty to fifty per cent through sprouting.

The produce market did a good Monday business, with marked changes from last week. Lettuce was very plentiful and much of it had to be carried over. The price went as low as 40 cents a crate. Asparagus and peas were plentiful, the former selling from 7 to 11 cents in the street, and the latter from 3 1/2 to 4 cents.

Mexican tomatoes declined 25 cents, the new quotation being \$1.75 and \$2. At the reduction they moved well. Indications are for a further drop within the next few days.

Both green and wax beans declined 10 to 12 cents a pound, and summer squash to 75 cents and \$1.

At the mills rolled barley declined \$1, and bran and shorts advanced \$1 a ton. Hominy advanced \$1 a ton.

A small shipment of gooseberries came yesterday from the North, the second of the season. The berries sold for 30 and 40 cents a basket.

With the exception of butter, receipts were light; eggs, 675 cases; butter, 70,633 pounds; cheese, 1,550 pounds; potatoes 906 cases; onions, 412 cases.

—Bread at the Cherry Blossom.

Address: The Enterprise, Noblesville, Ind.

### LEGAL NOTICES

#### PROPOSALS FOR SCHOOL BONDS

Sealed proposals for the purchase of School Bonds in the sum of Ten Thousand (\$10,000.00) Dollars, or any portion thereof, to be sold by the Board of Supervisors of Orange County, California, will be received by the Board of Supervisors of Orange County up to 11 a. m. of Tuesday, May 14, 1912.

Each of said bonds shall be dated June 1, 1912, and shall bear interest at the rate of five (5) per cent per annum payable semi-annually; said principal and interest to be payable at the office of the Treasurer of Orange County, California.

Said Bonds are 10 in number, of One Thousand (\$1,000.00) Dollars each payable as follows, to-wit:

Bond No. 1, \$1,000.00 payable June 1, 1912.

Bond No. 2, \$1,000.00 payable June 1, 1912.

Bond No. 3, \$1,000.00 payable June 1, 1912.

Bond No. 4, \$1,000.00 payable June 1, 1912.

Bond No. 5, \$1,000.00 payable June 1, 1912.

Bond No. 6, \$1,000.00 payable June 1, 1912.

Bond No. 7, \$1,000.00 payable June 1, 1912.

Bond No. 8, \$1,000.00 payable June 1, 1912.

Bond No. 9, \$1,000.00 payable June 1, 1912.

Bond No. 10, \$1,000.00 payable June 1, 1912.

The purposes for which said bonds were voted were and are for the purpose of raising money for purchasing school lots, for building one or more school buildings, for insuring school buildings, for supplying school buildings with furniture or necessary apparatus and for improving school grounds.

The Bonds will be sold for cash only and at not less than par and accrued interest.

A certified or cashier's check, payable to the order of the Chairman of the Board of Supervisors in the sum of three (3) per cent of the amount of said bonds, or of the portion thereof bid for, must accompany each bid. Said board reserves the right to reject any and all bids.

The total valuation of taxable property within the Ocean View School District in said county for the year 1911 is \$225,400.00 exclusive of operative property and the outstanding bonded indebtedness is none.

Order of the Board of Supervisors of Orange County, California made May 12, 1912.

**W. B. WILLIAMS,**  
County Clerk and ex-officio Clerk of the Board of Supervisors.

### NOTICE TO VOTERS

The general election of Orange county, for the year 1912, as well as every other county in the state of California, is now being conducted. All voters who expect to participate in the general election, to be held on November 5, 1912, for the purpose of electing a President of the United States, and for certain state and county offices, must register on or before October 15, 1912, at the county clerk's office, or at the primary election, August 27, 1912, for the general election on October 5, 1912.

**W. B. WILLIAMS,**  
County Clerk.

## CHARGE HIM WITH HERESY

Accusation Against Fullerton  
Preacher Has Not Yet  
Been Dropped

Los Angeles Tribune: A judiciary commission that was given full power to act in behalf of the Los Angeles Presbytery in investigating a charge of heresy made against the Edward J. Staton, minister in charge of the Fullerton Presbyterian church, was appointed yesterday at Central church, at an adjourned meeting of the presbytery which met last at Santa Monica in April.

The committee is composed of the Revs. W. N. Gantz, chairman; O. H. L. Mason, Edward Campbell, William Dodge, Charles Fisher, Elders H. M. Patterson, Robert McAllen and G. de Lamvergne.

The committee that met Occidental College trustees recently to convey the action of that body relative to ward co-education after the presbytery had urged it be continued, reported formally that the trustees had rescinded their former order making

it a school for young men.

The Rev. J. A. Stevenson introduced a resolution urging the college to settle some lawsuits by arbitration if possible.

## U. S. "LANDLORDISM" IS CAUSE OF OUR TROUBLES

INDIANAPOLIS, Ind., May 14.—Denouncing land ownership in America with the declaration "Landlordism eclipsing the Irish methods is the cause of most of the troubles in America," Thomas Hickey, delegate by the Socialist National Committee to investigate the single tax question, reported today at the Socialist National Convention. Followers of William D. Haywood promised to support the party despite his defeat in an attempt to control the convention.

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 253.

## FOUR QUAKES CAUSE GUADALAJARA TO BE DESERTED BY CITIZENS

MEXICO CITY, May 14.—Four earthquakes in rapid succession caused the belief that the old volcano near Guadalajara is about to erupt. Four buildings were engulfed and nineteen damaged. Steam and sulphur fumes are issuing from the earth cracks. The city is deserted. The inhabitants think their homes are doomed.

## RECORD MAY HEAT AT PORTLAND, ORE.

Hot Wave Melts Mountain  
Snows, Which Bring Big  
Rivers With Quick Rush

PORTLAND (Or.), May 14.—May heat records of twenty-seven years for Portland went to smash Sunday and Monday when the mercury climbed to the highest points known for so early in the season. The high mark Sunday was 89 and that of yesterday 90 deg.

Coming so early, when Oregon people are unprepared for hot weather, the heat wave has caused much discomfort. Melting snows are bringing the Columbia and Willamette rivers up with a rush. Ordinarily cool weather in May allows the mountain snows to melt off gradually. It is feared that if present conditions continue, floods may result. Forest brush fires were reported from three widely separated points in Oregon yesterday. Such fires are rarely reported before July.

## POLICEMAN SHOT BY MAN HE SOUGHT TO ARREST

SANTA MONICA, May 14.—Robert Ward, aged thirty-five, a policeman,

is believed to be lying down a bullet in his chest, alleged to have been fired by Charles Harding, forty-five years old. Police say Harding claims he found Ward in his home at 3 o'clock this morning. Harding fled and was captured by the police, aided by the cowboys employed by a motion picture company. Harding was jailed on a charge of assault with intent to commit murder.

## JUDGE ARCHBALD FELL INTO TRAP LAID BY BOLAND

WASHINGTON, May 14.—How W. P. Boland, after a ten years' fight, laid a trap for Commerce Court Judge Archbald was rehearsed yesterday before the House Judiciary Committee by Allen B. Cockrell, the Interstate Commission's confidential clerk. Cockrell said Boland had advised E. J. Williams, a friend of Archbald, of the existence of the culm bank belonging to the Erie Railroad. This occurred after Judge Archbald had rendered a decision costing Boland \$3300. Cockrell intimated that Judge Archbald had attempted to influence Boland, Charles Conn and Attorney Brownell of the Erie road, to put through a deal for the culm bank that meant \$30,000 for him.

## NORTHROP'S FIGS BROUGHT \$2 POUND

J. H. Northrup, formerly of Santa Ana and now of Idaho, father of Mrs. J. M. Burlew of this city, is making a great success of ranching in the Coachella Valley. The Coachella Valley News has the following: "Coachella Valley is again to the fore with a new record on early figs. Four days earlier than last year, J. H. Northrup shipped a consignment of delicious figs to the Los Angeles market. The selling agents telegraphed that they were the first on the market and sold for \$2 a pound. The fruit was large and luscious and thoroughly ripe. This accounts for the high price commanded."

"Mr. Northrup's trees came through the winter in splendid shape. His trees are hanging full of luscious fruit in the best of condition. Larger consignments will be shipped daily."

"Mr. Northrup's already well established reputation as an expert farmer is increased still more by this achievement. He is no doubt greatly assisted by his location, which is very favorable."

"His ranch is one of the show places of the valley and the results he has achieved are one of the very best recommendations the valley has."

## THREE-HOUR DEBATE ON ANTI-INJUNCTION BILL

WASHINGTON, May 14.—Aiming to curb the nuisance of injunctions in strikes, the anti-injunction bill by Congressman Clayton of Alabama, was the subject for three hours in debate in the House today. In general it would prohibit injunctions in labor disputes unless irreparable and immediate property damage was probable.

## A GOOD TIME TO BUY A GOOD TIME-PIECE.

I have recently received a lot of new watches, which are worth your seeing—probably the best assortment we have ever had. If you need a watch I can fit your taste and your purse right now. Come in and talk it over.

**Carl G. Strock**  
112 East Fourth St.

able. The bill provides security for costs and damages where injunctions have been issued. Final action was not taken.

## CANDIDATES ALL CLAIMING VICTORY

(Continued from page one)

paid \$5000 for the private car which carried Secretary of State Knox during the greater part of his California itinerary, the exposition officers and department heads frankly admit that such an allowance was made from the fair funds.

Moore's refusal to discuss the matter was based on the grounds that such action would add fuel to the controversy between the governor and the exposition officials, which is reaching an acute stage following the governor's charge that the exposition is being used as a political machine in behalf of Taft's candidacy. Moore declared that the books and accounts are open to inspection, and that an inspection would prove the truth or falsity of the governor's charge.

Gov. Johnson's statement, which was issued late Monday, did not begrudge the expenditure of the fair money for the entertainment of Secretary Knox, but emphatically protested that this expense should bring Knox to California to "do politics for Taft."

**SANTA ANA ELECTION**  
**QUIET—WOMEN VOTE**  
**WELL—ROOSEVELTERS BUSY**  
Today's election is indeed quiet. There has been no rush at the polls, and the Taft followers did not show up with automobiles and precinct workers. So far as work at the polls is concerned, the Roosevelt adherents are having it all to themselves here in Santa Ana.

The vote of the women was light this morning, but soon after the noon hour the women began coming in more frequently. A large number of those who made arrangements to be taken to the polls set the hour at 1:30 o'clock.

The Democrats are voting light. Woodrow Wilson men say that Champ Clark will get the best of it in Santa Ana. Neither the Wilson nor the Clark men are making any effort to get out the vote.

It seems to be generally conceded that the vote in the country districts will be very light, both Republican and Democratic.

## MURDER VICTIM IS IDENTIFIED BY TWO

LOS ANGELES, May 14.—The second person to identify the mysterious murder victim as Katherine Dowling of Chicago, was Mrs. Mary Riley, of Long Beach, who today again visited the morgue. An oil driller named Doyle, from Bakersfield, last Sunday also identified the body as that of Mrs. Dowling, who is Mrs. Riley's niece. Although the police appear to discredit the story, it was learned today that they are trying to get into communication with the girl's parents in Minnesota, to learn her whereabouts.

# The Creed of The Sturdy Stutz

By Homer McKee

I BELIEVE in the YESTERDAY and the men behind it, who pioneered through the maze of uncertainty and experiment till the broad white light of CERTAINTY dawned, and you and I were given a chance to make good in the OPPORTUNITY which they created.

I BELIEVE in voting a laurel to the PAST with as much fervor as we shout the greatness of TODAY and proclaim the magic promise of TOMORROW.

I REALIZE that a skid now means a crash to come, and that if I am to win I must forget the grandstand and steer straight on into the course of RIGHT.

I BELIEVE that the race will take care of itself if I take care of each lap.

I BELIEVE in TOMORROW; the trials which then await me; and my power to meet them smilingly.

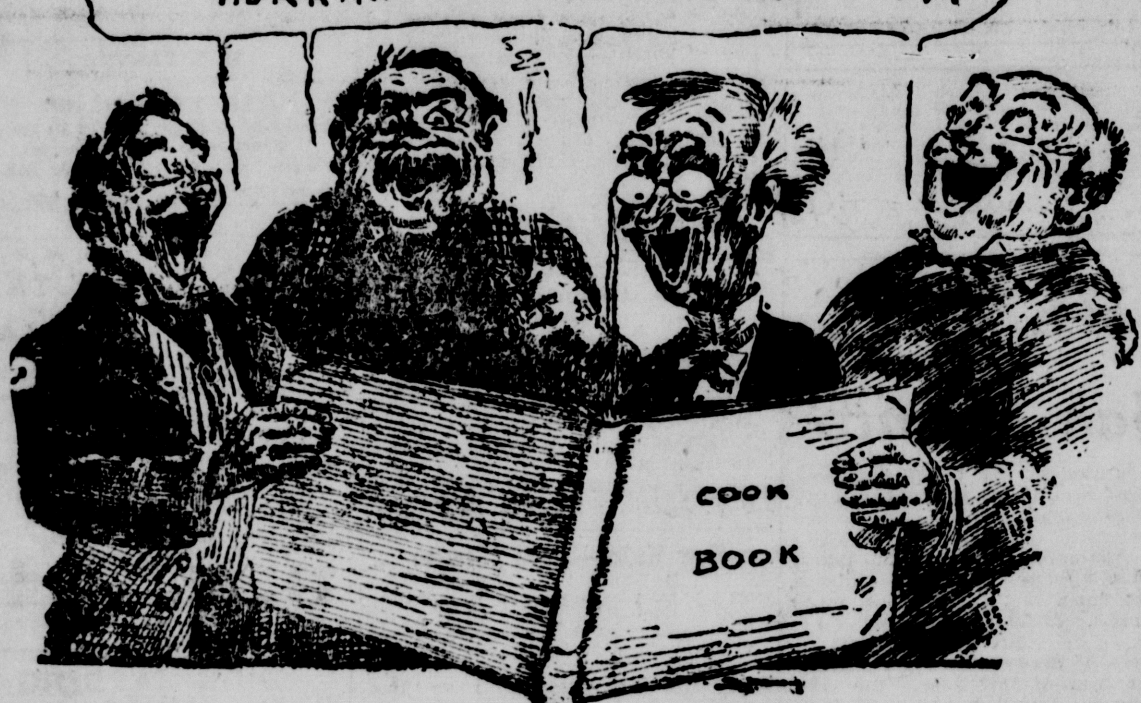

I BELIEVE that, on the scales of justice, there are no fake attachments; and that if MY BEST is good enough, the trophy will be MINE.

AND, in the end, if someone's else BEST is better than mine own, I believe that I will have courage and grace to doff my helmet and cry joyously: "All power to you, comrade, YOU HAVE BEATEN A GOOD CAR."
